Who Should Attend

- Infant/Toddler program administrators
- Infant care teachers working with children birth to 36 months
- Center-based or family child care providers
- $75 stipend issued for teachers or providers from participating QRIS sites

Brought to you in partnership with the California Department of Education, Early Education & Support Division; WestEd, Center for Child and Family Studies, PITC Partners for Quality; and First 5 Santa Cruz County

Goals of the Workshop

This workshop, offered in local communities across California, provides an overview of California's Infant/Toddler Learning and Development System. The workshop will focus on the California Infant/Toddler Learning and Development Foundations, a major publication by the California Department of Education, Early Education & Support Division

Designed to support continuous improvement efforts of infant/toddler programs, the workshop will help participants to:

- Understand the five components of the California Infant/Toddler Learning and Development System;
- Deepen their understanding of the Infant/Toddler Learning and Development Foundations;
- Apply the concepts covered in the Infant/Toddler Learning and Development Foundations in their work; and
- Plan effective infant/toddler curriculum
