California's Infant/Toddler Learning & Development Foundations Workshop

contact: Phoebe Freeman | tel: 530.250.5055 | www.pitc.org

Who Should Attend

- Infant/Toddler program administrators
- Infant care teachers working with children birth to 36 months
- Center-based or family child care providers

This community event is open to anyone interested in supporting the well-being and development of infants and toddlers, including parents, grandparents, foster parents, and others supporting infants, toddlers, and families.

Goals of the Workshop

This workshop, offered in local communities across California, provides an overview of California's Infant/Toddler Learning and Development System. The workshop will focus on:
The California Infant/Toddler Learning and Development Foundations, a major publication by the California Department of Education, Early Learning & Care Division

Designed to support continuous improvement efforts of infant/toddler programs, the workshop will help participants to:

- Understand the five components of the California Infant/Toddler Learning and Development System;
- Deepen their understanding of the Infant/Toddler Learning and Development Foundations;
- Apply the concepts covered in the Infant/Toddler Learning and Development Foundations in their work;
- Plan effective infant/toddler curriculum.

Event location:
Susanville Head Start
Lassen Fairgrounds
195 Russell Ave.
Susanville, CA 96130
