

California's Infant/Toddler Curriculum Framework Seminar

contact: Judy Walker | tel: 916.213.0377 | email: jwalker@WestEd.org | www.pitc.org

Who Should Attend

- » Infant/Toddler program administrators
- » Infant care teachers working with children birth to 36 months
- » Center-based or family child care providers

Goals of the Seminar

Designed to support continuous improvement efforts of infant/toddler programs, this seminar will help participants to:

- » Understand the connection between the components of the California Infant/Toddler Learning and Development System, including the Foundations, Program Guidelines, and Curriculum Framework;
- » Recognize and support the central role of families in young children's learning and development;
- » Create high-quality learning environments which effectively support early learning;
- » Plan effective infant/toddler curriculum; and
- » Promote infants' and toddlers' active exploration, well-being, and long-term success.

Event Location:

Child Action
9800 Old Winery Place
Sacramento, CA 95827

Brought to you in partnership with the California Department of Education, Early Learning and Care Division; WestEd, Center for Child and Family Studies, PITC Partners for Quality and Child Action.

Seminar: CA I/T Curriculum Framework

This seminar will present information about the importance of responsive, individualized care that is grounded in children's secure relationships with their families and primary care teachers. Participants will explore and become familiar with the California Infant/Toddler Curriculum Framework as a means of supporting effective planning in the ongoing cycle of observing, documenting, reflecting, and implementing appropriate curriculum.

- » **Date: Saturday, January 26, 2019**
- » **Time: 8:00am-2:00pm**
- » **Cost: Free!**
- » Participants who attend the full session will receive a certificate indicating professional growth hours earned.
- » There will be a ½ hour working lunch session.
- » Books for this seminar should be downloaded prior to the event.

Books for the seminar are available from CDE Press Publications:
