

Program for  
Infant • Toddler Care

# Program for Infant/Toddler Care (PITC) Trainer Certification

Approximately half of all US children under the age of three have a regular child care arrangement creating a significant need for high-quality, responsive care.

PITC builds capacity to improve high-quality infant and toddler care through engaging professional development in the following areas:

- \* Social-Emotional Growth & Socialization
- \* Group Care
- \* Learning & Development
- \* Culture, Family, & Providers
- \* Coaching (optional pilot module)

The goal of PITC remains constant: to help infant/toddler care teachers recognize and

implement crucially important relationship-based practices and design care environments that are responsive to infants, toddlers, and their families.

## PITC Trainer Certification:

The Trainers Institute features a blend of engaging virtual sessions with faculty and online learning experiences with a community of peers.

## Who will benefit?

- \* Trainers
- \* Coaches
- \* Higher education faculty
- \* Program administrators
- \* Individual consultants
- \* Early Head Start staff
- \* Child care resource specialists

## Why PITC Certification?

- \* Build your capacity to support improving the quality of infant and toddler care in your local programs, communities, and state.
- \* Deepen your understanding of how to enhance the professional development of infant and toddler care teachers.
- \* Join a community of learners and network with peers.
