

PITC Online Infant & Toddler Group Care Course

Now Enrolling!

WHO SHOULD ATTEND?

- Family childcare providers and center-based staff working with children birth to 36 months
- Infant/Toddler program administrators
- Family, friend, and neighbor care providers

GOALS OF THE COURSE

This course focuses on the Program for Infant/Toddler Care (PITC) approach to infant/toddler care. This course will enable students to:

- Increase their knowledge and understanding of practices to support the implementation of a high-quality infant/toddler group care program.
- Increase their knowledge and understanding of infant/toddler development in the social-emotional, cognitive, language and communication, and perceptual and motor development domains.
- Learn about the importance of culture and how to form responsive partnerships with families.

Students will be expected to complete approximately 3-5 hours of online course work per week for 18 weeks. Students must have regular access to a computer with an internet connection.
