

Caregiving Routines as Curriculum

Who Should Attend?

- Infant/Toddler program administrators
- Infant care teachers working with children birth to 36 months
- Center-based, family childcare, family, friend and neighbor providers

GOALS OF THE WORKSHOP

Participants of this seminar will have an opportunity to learn why caregiving routines are important opportunities to form close, caring relationships with each child, explore the practice of primary care and individualized care as they relate to carrying out daily routines with intentionality and sensitivity, and strengthen the ability to practice caregiving strategies that are consistent with the family practices and supports the child's sense of self. Understand why caregiving routines are important opportunities to form close, caring relationships with each child.
